

Rain Check Policy:

We will issue rain checks to players that have not completed portions of their rounds due to inclement weather. Rain checks will be issued for the unfinished portions of rounds as follows:

- Rain Check credits will be issued for the full amount paid to those players completing 4 holes or less and have paid for either 9 or 18 holes.
 - Rain Check credits will be issued for half the amount paid to those players completing between 5 and 13 holes for those players that have paid for 18 holes.
 - During twilight rates, players that have completed 5 holes or more are not entitled to any rain checks. If they have paid a twilight rate and complete 4 holes or less they will be issued a rain check credit for the full amount paid.
-
- Rain Checks are a credit toward the player's next round.
 - Rain Checks have no cash value and no cash will be given for unused Rain Checks or unused portions thereof.
 - Refunds will only be given if the player has not begun his or her round.
